

FOR PERFORMERS IN The CASTLE CENTRE

Tech supervisor: Sasha Atyeo

Sasha should be your first port of call if there are technical issues to resolve. If there are any particularly tricky tech challenges to overcome Sasha will contact Pete Burford the Fringe Tech Director

1. You have only 15 minutes set-up and 15 minutes strike time for your show. There is no backstage dressing room but you may use the kitchen area to change in (please warn the volunteers!)
2. Please do not assume you will be able to just 'plug in' any extra equipment if it hasn't already been mentioned on the tech form you submitted or discussed with xxx. Remember any additional electrical equipment must have current PAT certification
3. Sasha will talk you through the fire exit and safety procedures – please make sure that all your company take note of these
4. The Castle Centre has limited storage space & it is for 5 companies – so please be sensitive to other companies props/costumes.. etc.
5. All set/props etc. should be taken with you at the end of your last show
6. Golden Lion Tap in the evenings is a great chat/speakeasy venues for us all – performers, volunteers, audience and visiting promoters – it's also a great way to advertise your show to others: 'talking-up' your work is the best way to advertise. On Thursday 23rd Fringe Meet up at GLT after the shows come down - anyone with a fringe badge of either colour most welcome but must be 18 years old or older! On Friday 24th From 10.45pm - midnight there'll be a fringe cabaret in The Golden Lion Tap performance space – entrance free! Just show your blue performer badge.
7. This is only the fourth time we've used The Castle Centre as a venue for TheatreFest – and the Town Centre Management, who programme it, have gone out of their way to make this happen for us this year. We are extremely grateful for all their goodwill. We ask you to respect all the furniture & fabric of this building! Please note we are not allowed to fix anything onto the walls of the building.
8. Please note that Fringe Central is at St Annes Community Centre downstairs : the finance area will be screened off and this area should not be accessed by the companies: the finance officers need to be able to work uninterrupted
9. Safeguarding concerns. If you have any safeguarding concerns during the Fringe these should be made known as soon as possible to the Fringe organisers who will contact the Fringe Safeguarding officer who in turn will contact you directly to advise and support on procedures for reporting the concern immediately.

Thank you Gill & The Team
